EDUCATION

SIR C.R. Reddy College of Engineering

B.Tech in Computer Science

CGPA: 8.68

Eluru, Andhra Pradesh

Expected Graduation, May 2026

PROFILE SUMMARY

Aspiring full-stack developer seeking opportunities in web development.

- Experience in building responsive web applications.
- Strong understanding of both frontend and backend technologies.
- Knowledgeable in database management and RESTful APIs.
- Committed to **staying updated** with the **latest industry** trends and technologies, continuously enhancing skills to provide innovative solutions

PROJECTS

Task Management Website

August 2024 - September 2024

Developed a full-stack web application for users to manage tasks efficiently, featuring various filters for task organization.

Tech Stack: HTML, CSS, JavaScript, Node.js, Express, EJS, PostgreSQL, Passport.js.

Key Features:

- User authentication with secure login and registration.
- Dynamic task filtering with options for completed, upcoming, and overdue tasks.
